Registration for the Dorestad Raid 2022

- Come prepared (boat & crew), you need to be self-reliant!
- The General Conditions and Safety list are applicable.
- Sufficient buoyancy is a must (with exception of the larger boats where it is reasonably impossible to realise – think larger traditional boats – up to the discretion of the organisation).
- The plans are subject to the COVID-19 situation and related restrictions!
- Registration on the Natuurlijk Varen website will be opened 1 March 2022. A registration form will be made available on the website and needs to be completed and returned to Tineke.
- The registration will only become final (and your spot reserved!) upon receipt of an EUR 100/person advance payment.
- Please note that the In Dubio sleeps 25 persons max. Total max number of persons that can participate is 40 (this being the number we are able to cook for and seat for meals). Some people will (need to) sleep on their own boats.
- In case of any questions, please contact the organisers.
